

# The Isla Caton Fund

**The Isla Caton Fund in aid of Solving Kids' Cancer UK has been created to raise money in memory of beautiful Isla Caton.**

Isla was diagnosed with high-risk neuroblastoma in 2017 at just 2 years old. Isla sadly passed away on the 25th of January 2022 aged just 7.

The Isla Caton Fund with Solving Kids' Cancer UK is to fund innovative neuroblastoma research to enable children to beat the disease in the future.

**You can give hope to children fighting neuroblastoma**
