We will join/seat parties of fewer than ten with other smaller parties.

Corporate tables will be listed in our Souvenir Programme.

We would be most grateful to receive any donations of raffle prizes or auction items.

As President of the Irish Solicitors Bar Association, London (ISBA), Cliona O'Tuama, ably assisted for several years by her late husband Michael Howell, hosted twenty five Charity Balls from 1989, culminating in the Silver Jubilee Ball in 2014.

A Pearl anniversary Ball was held in 2019 on the 30th anniversary of the first Ball. It was so successful that it was decided to revive the Ball as an annual event but unfortunately Covid then intervened until the 2023, 2024 and 2025 Balls which raised over £85,000 for Solving Kids' Cancer UK. The Charity Balls held to date by ISBA have raised just over £660,000 for charities helping children and young people. This year we are once again hosting a Ball to help a very deserving cause.
