

#foreverSIX

forever BEAU

You can give hope to children fighting neuroblastoma

The ForeverSIX Fund in aid of Solving Kids' Cancer UK has been created to raise vital funds in memory of beautiful Beau, an amazing little girl.

Beau was diagnosed with high-risk neuroblastoma in 2020 at just four years old. She sadly passed away on the 4th June 2023, just weeks before her seventh birthday.

Funds raised through the ForeverSIX fund in aid of Solving Kids' Cancer UK are dedicated to funding innovative neuroblastoma research to enable children to beat the disease in the future and providing support for children accessing treatment.

To donate online, visit solvingkidscancer.org.uk/children/foreversix

To donate by text, send the word FOREVERSIX followed by any whole amount (up to £20) to **70085**

As an example, FOREVERSIX 5 would cost £5 plus your standard network text charge

SCAN TO DONATE

If you would like to fundraise for the ForeverSIX Fund, contact Solving Kids' Cancer UK at fundraising@solvingkidscancer.org.uk or at **020 7284 0800**.

Funds raised through the ForeverSIX fund are dedicated to the areas of spend chosen by the family and are currently designated to the funding of research grants, research-related activities of the charity in accordance with Association of Medical Research Charities (AMRC) guidelines; providing pastoral funds to families we support and supporting those fundraising for access to treatment. Solving Kids' Cancer UK is a registered charity in England and Wales (1135601), and in Scotland (SCO45094).
