

Zach is fighting a life-threatening cancer

Zach is a brave, determined four-year-old from Hackney, London, who loves superheroes, Arsenal Football Club and is especially obsessed with the Power Rangers. He dreams of becoming a superhero himself – but to his family, Zach is already the real superhero.

He was diagnosed with stage 4 high-risk neuroblastoma, a rare and aggressive childhood cancer, in 2024. **Following Zach's relapse, his family are urgently fundraising to raise £339,000 to help him access CAR-T cell therapy in Rome..**
